

12/15/2022

Hello Neighbors,

To keep you, our neighbors informed with golf operational updates, we want to send out a letter periodically to address our golf course maintenance plans, golf activities, restaurant details, and general announcements. We are very proud of our #1 golf course ranking in Mesquite three years in a row, 2019, 2020, & 2021! Please continue to reach out to us with questions or comments to help us maintain our #1 ranking, and our top Nevada ranking.

Currently, we have finalized our 2023 green fee rate schedule. Please see the attachment to this letter to review our 2023 rates. The rates not only include our SCM daily rates, but also our annual SCM pass rates exclusively available to SCM residents only.

For those of you who are new residents of SCM, we welcome you and look forward to meeting you and having you utilize our facility for your golf and dining needs. As a SCM resident, you have an exclusive tee time booking window of 60 days in advance. For your convenience, your tee time bookings can be booked online at conestogagolf.com. Please know that you need a personal email address and password to book online. Your specific email and password will allow you online access to book your tee times at the SCM discounted rates, and the SCM booking window of 60 days. Please call the golf shop and talk to either Rick or Ryan at 702-346-4292, to set up your online booking access and password.

Finally, we will start accepting payments for the SCM resident Frontier pass and Flex pack, on Monday 12/19/2022. Due to the high purchase demand of these passes in years past, we have had to limit and cut off pass purchases in early spring. This year with all our new residents and pass demands, we are expecting to close Frontier pass and Flex pack purchases by mid-January 2023 or sooner.

We are looking forward to 2023 and we appreciate all your support!

Thank you,

Mark Whetzel, PGA
Director of Golf
