Hello Neighbors,

To keep you, our neighbors, informed of golf operations updates, we want to send out a letter periodically.

Currently, we are waiting for our final proof for the 2024 green fee rate schedule. We will be uploading the 2024 rate sheet on our website, after Christmas. I will send another email, so each of you have the rate sheet before we upload it to our website for the public to see. Please refer to our 2023 rates at conestogagolf.com.

We have some exciting exclusive special programs that are being offered to our SCM residents in 2024: No SCM resident price increase in 2024 on all green fees, passes, and trail fees; Adding a Summer 10 round Flex Pack for \$400, and a Dusk Rate, 14 day booking program; Extending our morning booking hours in the summer to 11am, (this is an hour and a half increase from this year and in years past;) Enhanced booking window for all SCM residents. Our new program is a resident booking window, that opens 367 days out and closes when the appropriate Frontier Passholder (60 days) or SCM Flex Pack or Resident (58 days) booking window opens, and finally; Streamlined booking, to include new software to manage cancellations.

For those of you who are new residents of SCM, we welcome you and look forward to meeting you and having you utilize our facility for your golf and dining needs. For your convenience, your tee time bookings can be booked online at conestogagolf.com. Please know that you need a personal email address and password to book online. Your specific email and password will allow you online access to book your tee times at the SCM discounted rates, and the SCM booking windows. Please call the golf shop and talk to either Rick, Ryan, or Jaden at 702-346-4292, to set up your online booking access and password.

Finally, we will start accepting payments for the SCM Resident Frontier Pass and Flex Pack, on Tuesday 12/26/2023. Due to the high purchase demand of these passes in years past, we have had to limit and cut off pass purchases in early spring. This year with all our new residents and pass demands, we are expecting to close Frontier Pass and Flex Pack purchases by mid-January 2024 or sooner.

We are looking forward to 2024 and we appreciate all your support!
